

Subject: Your Storage Protection Is Getting an Upgrade on [Date]

Dear [Tenant Name],

Good news: Protecting what you value and store is about to get better – at no extra cost.

What's Changing

Effective [Date] at 12:00 a.m. EST, [Facility Name] is upgrading from [Past Provider] to **PROTEGO Protection Program**—our premium protection provider chosen specifically to give you better coverage and easier claims service.

Your current coverage level will automatically transfer to the equivalent PROTEGO Protection Plan:

- **\$2,000 protection** – \$14/month
- **\$3,000 protection** – \$18/month
- **\$5,000 protection** – \$26/month

No action required. Your protection continues uninterrupted unless you contact us to make changes.

Why This Upgrade Benefits You

1. Purpose-Built for Self-Storage

Unlike homeowner's policies that often exclude or limit offsite storage coverage, PROTEGO Protection is designed exclusively to protect your belongings in storage—with no gaps or exclusions you need to worry about.

2. True Replacement Value—No Games

PROTEGO pays what it actually costs to replace your items today. No depreciation. No deductible. Full value from dollar one. That means if you file a claim, you get what you need to replace your belongings—not what they were worth years ago.

3. Comprehensive Coverage

You're protected against fire, theft, water damage, windstorms, building collapse, explosion, vandalism, and even rodent damage (up to \$500).

4. Claims Made Simple

File 24/7 online at **PROTEGOclaims.com** with a dedicated U.S.-based support team ready to help. No runaround, no endless hold times.

5. Cancel Anytime You Move Out

Your PROTEGO Protection Plan ends automatically when your storage rental ends. Zero hassle, zero hidden charges.

Why We Chose PROTEGO Protection

PROTEGO Protection has been the **Inside Self-Storage "Best of Business Tenant Protection Program"** winner for eight consecutive years. With 15+ years serving storage tenants nationwide, they've proven they show up when it matters most.

We don't partner with just anyone. We chose PROTEGO because our tenants deserve protection that actually works when you need it.
